

## **Our school is going mobile!**

We are excited to let you know that our school meals will be going online using Fusion app from **Monday 7<sup>th</sup> June**.

The Fusion Online pre-order solution lets students/parents pre-order their meals via the Fusion Online mobile app or [online portal](#).

The Fusion Online mobile app lets you order and pay for food in advance directly from mobile phones/device anytime, anywhere.

The app is linked to students ParentPay account to ensure a simple payment process. The means that schools can offer a truly contactless service and can control traffic flow with designated pre-order pick-up points.

With the app, student and parents can:

- Check their cashless balance
- Pre order their favourite meals
- Choose when they are ordering for
- View current, and previous orders
