When bullying has been reported, the following actions will be taken:

Bullying is unacceptable and will not be tolerated, whether it takes place inside or outside of school. Bullying can take place on the way to and from school, before or after school hours, at the weekends or during the holidays, or in the wider community. The nature of online bullying in particular means that it can impact on pupils' well-being beyond the school day. Staff, parents and carers, and pupils must be vigilant to bullying outside of school, and report and respond according to their responsibilities as outlined in this policy.

## **8. Derogatory language**

Derogatory or offensive language is not acceptable. This type of language can take any of the forms of bullying listed in our definition of bullying. It will be challenged by staff, and recorded and monitored on Arbor and CPOMS. Follow up actions and sanctions, if appropriate, will be taken for pupils and staff found using any such language. It can be targeted towards an individual or group of people and have a significant impact on those targeted. All prejudice-based incidents are taken seriously and recorded and monitored in school, with the Headteacher regularly reporting incidents to the governing body. This not only ensures that all incidents are dealt with accordingly, but also helps to prevent bullying as it enables targeted anti-bullying interventions.

- Tutor time provides regular opportunities to discuss issues that may arise in class and for form tutors to target specific interventions.
- Whole-school and year group assemblies help raise pupils' awareness of bullying and derogatory language.
- Difference and diversity are celebrated across the school through diverse displays, books and images. ### **School statement on bullying**

Greenbank High School is a place where every person has the right to be themselves and to be included in a safe and happy environment. Everyone at our school is equal and should be treated with respect.

### **What is bullying?**

Bullying is hurtful or unkind behaviour which is deliberate and repeated. Bullying can be done by one person or by a group of people towards another person or a group of people where the bully or bullies hold more power than those being bullied.

- Stealing, hiding or damaging someone's property
- Deliberately ignoring someone or leaving them out
- Sending hurtful or unkind texts, emails or online messages to or about someone

Remember that bullying isn't just physical and it can happen outside or inside school. If someone is deliberately and repeatedly being hurtful or unkind towards you or someone else, whatever that looks like or for whatever reason, it is bullying.

It is really important to report bullying. It won't make the situation worse and it will help to stop the bullying whether it is happening to you or to someone else.
