

GOOD FOR YOU & GOOD FOR THE PLANET

GOOD FOR THE PLANET
YES PLEASE, RECYCLE THESE!
 CHECK YOUR LABELS FOR RECYCLING SYMBOLS AND POP THEM IN THE RIGHT BIN.

Caring for the planet is something that really matters to us and our customers. We see it in the way students think, speak up, and take action.

Our range of initiatives and messages support the journey to reduce environmental impacts. We're encouraging them to make choices that are good for them and the planet - now and in the future.

Allergens and Special Diets

We cater for different requirements so that all customers can enjoy a tasty meal with us. For pre-packaged food, our labelling processes have been reviewed to give ingredients and allergen information in accordance with Natasha's Law. We continue to encourage customers to talk to us so we can work together to provide food that is safe to eat.

Klimato

We are working with Klimato to tackle carbon emissions from food, highlighting the impact of each meal on our menus.
